

Extended Warranty Packs

Extend 1

Peace of mind for another year

- Extends limited warranty by 12 months¹
- Available at time of drone purchase, any time during year 1, or any time during your first *Extend 1/Extend 1 PLUS* extension

Extend 1 PLUS

For peace of mind, reduced risk and easier planning

- Extends limited warranty by 12 months¹
- *PLUS* includes up to 3 scheduled services²
- Available at time of drone purchase, any time during year 1, or any time during your first *Extend 1/Extend 1 PLUS* extension

Extend 2

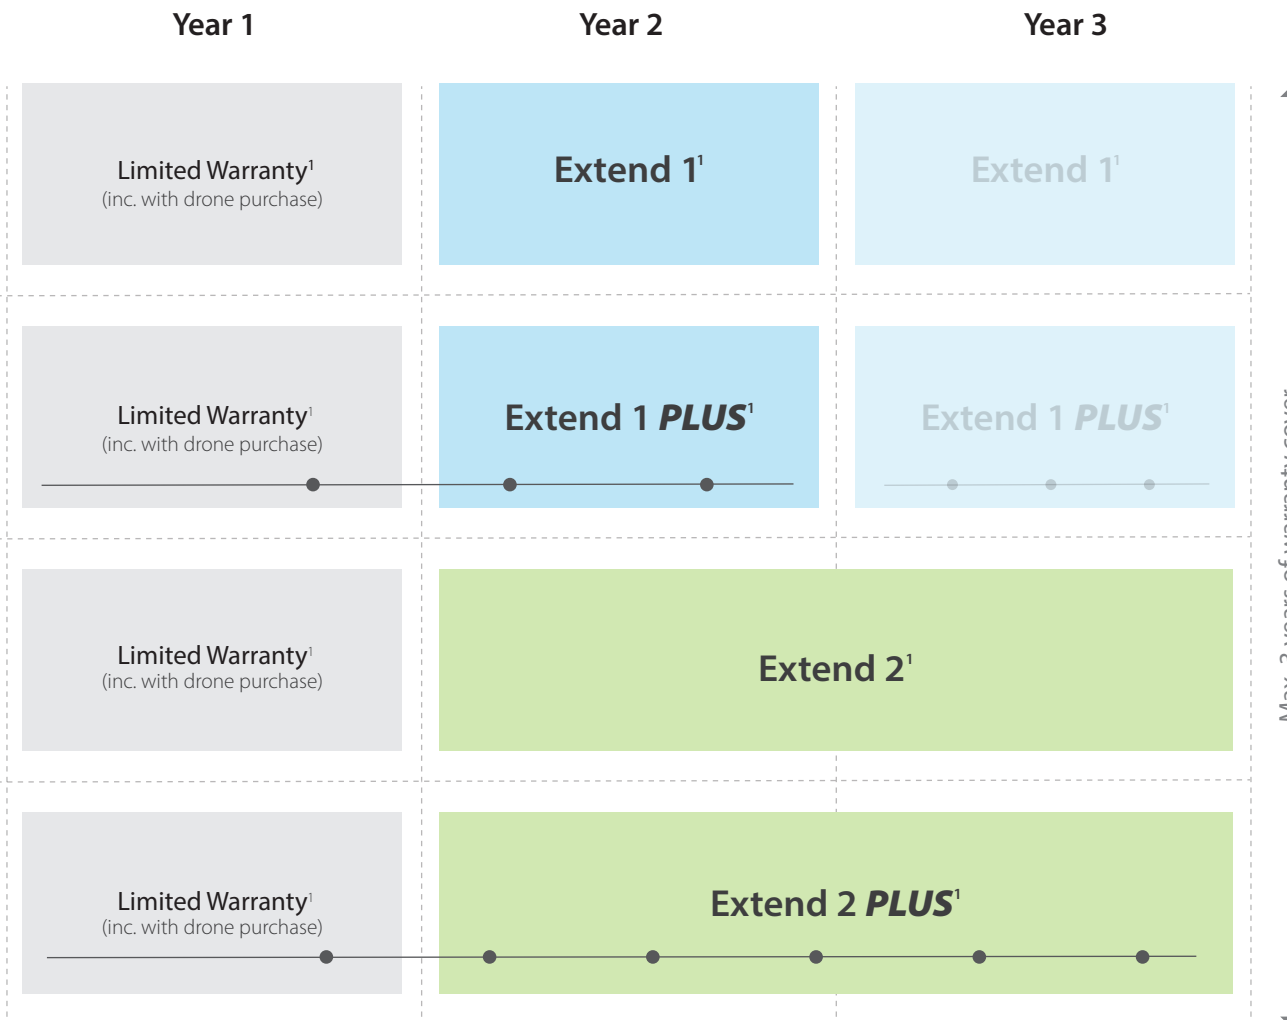

Peace of mind for two more years

- Extends limited warranty by 24 months¹
- Available at time of drone purchase or any time during year 1

Extend 2 PLUS

For even more peace of mind, reduced risk and easier planning

- Extends limited warranty by 24 months¹
- *PLUS* includes up to 6 scheduled services² & 1 retrofit³
- Available at time of drone purchase or any time during year 1

¹ To maintain warranty coverage a scheduled service is required every 100 flight hours.

² Each service includes the replacement of critical parts & components (such as motors, servos, sensors etc.) + labour + return shipping.

³ A retrofit transfers all of your drone's internal electronic components to a new central body.

senseFly's one-year Limited Warranty (included with every drone purchase) is subject to the senseFly General Terms & Conditions (see www.sensefly.com).
senseFly Warranty Extension Packs are subject to senseFly's Extended Warranty Service Package Special Terms & Conditions.
